The E.T.S. Association aims to promote, implement and support initiatives and projects of charity, social and social health assistance, education of all levels and training, anywhere in the world. The association works in favor of people who find themselves in conditions of economic, social and family hardship. It accompanies, supports and implements all the activities of the Baptistine Mission Center.

It is possible to support the activities of the Association, which have been operating in the social sector since 2007 by entering the Tax Code 97489890588 in the appropriate space of the IRPEF declaration (Support for volunteers and other non-profit making organizations of social utility) and by placing one's signature in the corresponding box.

The benefactor who disburses a sum to the Association through a traceable payment, can deduct the amount paid from the tax return.

By donating your **5 FOR THOUSAND** to our Association, you will concretely help us to:

- **support and promote initiatives and activities of assistance and hospitality of children and young mothers in a state of absolute poverty;**
- **promote the Support at a Distance for poor children;**
- **carry out other social activities in areas that are in various parts of the world in situations of poverty.**

Therefore, the data of the bank account of the Association is communicated below:
